Dear Parents and Carers,

Meet the Teacher Information Evening

At this time of the school year we like to invite parents and carers to come into school to listen to a short talk from your child's teachers that will give lots of information about classroom routine, the school curriculum and procedures and expectations related to their new year group.

We would like as many parents to have the opportunity to attend as possible and are conscious that you may have more than one child in more than one year group and so we have devised the following format which we hope will help. You may attend one or more meetings, which will last for half an hour each.

I hope you will find this additional meeting useful and that it will help to improve the school experience for your child.
