Equality Scheme

Three year period covered by this scheme:
2012- 2016

1.1 Purpose of the Equality Scheme

This equality scheme is the school's response to the specific and general duties in the current equality legislation. It is an attempt to capture how the school is systematically establishing and implementing good practice in equality and diversity across all areas of school life. This includes a response to all aspects of social identity and diversity as set out in the North Yorkshire County Council's Equality Policy Statement:

“we oppose all forms of unlawful or unfair discrimination, whether because of race, colour, ethnic or national origin, sex or gender reassignment, marital status, family status, sexuality, religion or beliefs, disability, age or any other condition or requirement which places a person at a disadvantage and cannot be justified”.

This Equality Scheme sets out how the school will:

- eliminate discrimination;
- eliminate harassment related to any aspect of social identity or diversity;
- promote equality of opportunity;
- promote positive attitudes to all aspects of social identity and diversity;
- encourage participation by disabled people and people representing different aspects of social identity in public life;
- take steps to take account of difference even where that involves treating some people more favourably than others.

This document provides, therefore, a scheme which embraces for our school a Race Equality Scheme, a Gender Equality Scheme, a Disability Equality Scheme and the school's Equality Policy. It is reviewed every three years and reported on annually.

An action plan accompanies this Equality Scheme which is renewed annually. In line with this Equality Scheme, the action plan sets out the equality and diversity objectives for the school which have been identified as a result of the school's equality impact assessment in line with this equality scheme and facilitated by the **Inclusion Quality Mark** audit tool.

1.2 Equality Legislation

This equality scheme responds to the current equalities legislation:

- Race Relations Act (RRA) 1976/2000
statutory positive duty to promote racial equality, promote good race relations and eliminate unlawful racial discrimination;
- Sex Discrimination Act (SDA) 1975 (and Regulations 1999), Gender Equality Duty 2007
statutory positive duty to promote gender equality and eliminate unlawful gender discrimination;
- Employment Equality (religion or belief) (sexual orientation) Regulations 2003 extended to education, Equality Act (Part 2) 2007
The Act sets out that it is unlawful for schools to discriminate against a person:
 - a) in the terms on which it offers to admit him/her as a pupil;
 - b) by refusing to accept an application to admit him/her as a pupil, or
 - c) where he/she is a pupil of the establishment:
 - i) in the way in which it affords him/her access to any benefit, facility or service,
 - ii) by refusing him/her access to a benefit, facility or service,
 - iii) by excluding him/her from the establishment,
 - iv) by subjecting him/her to any other detriment.(There are specific exemptions for faith schools.)
- Disability Discrimination Act (DDA) 1995/2005
statutory positive duty to promote equality of opportunity for disabled people: pupils, staff, parents, carers and other people who use the school or may wish to, and eliminate unlawful discrimination;
- Education and Inspections Act 2006, duty to promote community cohesion.
By 'community cohesion' the school is endorsing and adopting the definition provided by Alan Johnson, 2006, as:
"working towards a society in which there is a common vision and sense of belonging by all communities; a society in which the diversity of people's backgrounds and circumstances is appreciated and valued; a society in which similar life opportunities are available to all; and a

society in which strong and positive relationships exist and continue to be developed in the workplace, in schools and in the wider community.”

2 What kind of a school are we?

2.1 School Vision and Values

The school’s vision and values statement reflects the school’s ambitions for all its pupils. It refers to the key requirements set out in the National Curriculum Inclusion Statement for developing an inclusive curriculum: setting suitable learning challenges; responding to pupils’ diverse learning needs; overcoming potential barriers to learning and assessment for individuals and groups of pupils.

The school statement also embraces the North Yorkshire Inclusion statement which emphasises that individuals and groups of learners who may be vulnerable to exclusion, marginalisation and underachievement are identified and receive targeted provision to ensure their presence, participation and achievement. The school is committed to achieving the **Inclusion Quality Mark** and currently has achieved the highest possible rating.

We are committed to developing a learning environment for all which is:

- Safe
- Healthy
- Enjoyable and successful with high achievement
- Driven to encourage a positive contribution to society in all aspects

Our aims and values underpin all that we do in school and are represented by our RESPECT Code:

We aim to create a happy and welcoming environment where there are excellent relationships and there is a high level of responsibility and regard for the safety and well-being of others
- Equality
We ensure that all children have equal access and opportunity to be included in every aspect of school life, from their learning to their social development
- Standards
We promote and value high standards and high levels of attainment through a curriculum which values individual achievement and progress
- Positive
We place great importance on the development of self-esteem, ambition and pride within a positive and supportive environment
- Enthusiasm
We provide a wide range of experiences for all children encouraging enthusiasm for learning

- Choices
The choices we make are so important in life. We strive to ensure that pupils have the information and skills to enable them to make positive, informed and healthy lifestyle choices
- Together
A sense of community is at the heart of our school. We encourage close, cooperative links between school, parents and the wider community.

2.2 School Context

The nature of the school population and context to inform action planning for the equality scheme:

- Grove Road Community Primary School is a single form entry LA primary school serving an urban community.
- The school is an enhanced school to support schools and learners in the local area with behavioural, emotional and social difficulties. Grove Road is also a hub school to develop minority ethnic achievement in Primary and Secondary schools in a large area of the County.
- In May 2008 Ofsted said 'This is a truly inclusive school'. We frequently accept previously excluded / disaffected children, and consequently have a relatively high proportion.
- We are the preferred school for meeting the needs of learners from the Harrogate Women's Refuge. We have on average, 5 children in school from that agency.
- Teachers in the school are recognised as leading practitioners in the LA:
Leading Literacy Teacher; two Leading Behaviour Teachers for SEAL.
Leading SENCO.
- The Headteacher is a School Improvement Partner and is employed by the LA to support 3 other schools in the LA.
- The school is a 'Leading Practice School' for SEAL and has provided highly effective and supportive strategic leadership through the Headteacher and SLT to a cluster of over 60 schools over a sustained period of 3 years' (LA Strategic lead for SEAL Adviser)
- The school and the Headteacher are often called upon to exemplify good practice for the benefit of other schools, providers and the advisory service and its staff. Not only does this include frequent visits but also the school has been asked to be the showcase of best practice for a recent article (2008) for the magazine 'Leadership Focus' on behalf of the Local Authority. School also used as an exemplar of good practice in first issue (2007) of LA Inclusion and Equalities Newsletter, School used to make a DVD of good practice in supporting children from other ethnic groups (LA Newsletter, DVD)
- We have the highest percentage of EAL children within the LA, (NYCC data analysis based on PLASC).
- We have been awarded the Active Mark, Sportsmark, Dyslexia Quality Mark (following this, our Inclusion Manager was invited to become an

assessor), Basic Skills Quality Mark (following this, Headteacher was invited to become an assessor), Healthy Schools.

- The school has been awarded Highly Effective School Status by the LA in 2008 and 2009.
- The skills and knowledge of children when they join the school are generally well below average. (FS records)
- The catchment comprises a mixture of council and private rented accommodation (flats and houses) as well as owner- occupier accommodation. However, approximately one third of our children come from outside our catchment area.
- The school is in receipt of Social Priority Allowance and has approximately 22% free school meals.
- A significant number of families receive Family Income Support or Job Seekers Allowance.
- A significant minority of families have social worker involvement.
- The school ranks in the most deprived 13% of the 328 Primary schools in North Yorkshire in terms of housing, health, average income and child poverty (IMD 2007)
- The proportion of learners on the SEN register is rising: There are 50 children on the SEN Register:
8 have a Statement of Special Educational Needs
12 are at School Action Plus
30 are at School Action.
- There are no staff and 3 children in school who are disabled (DDA disability definition)
- Access to the upper floors is at present an issue for disabled people.

- monitor progress through the school council.

Visitors and contractors are responsible for complying with the school's Equality Scheme – non-compliance will be dealt with by the Headteacher.

3.1 Involvement Processes

Policies are vital to identify and consolidate thinking regarding appropriate provision for pupils, however, they are often viewed as an end, when they should be seen as a process - always evolving in response to changes and evidence from impact assessments. When developing this Equality Scheme, the school is clear that this is a process which must be informed by the involvement of all participants such as pupils, parents, school staff, governors and external agencies. This will ensure that the school glean insights into the barriers faced by people from different social identity backgrounds and learns the best ways to overcome such barriers. This Scheme will be informed, therefore, by:

- the views and aspirations of pupils themselves from different social identity backgrounds;
- the views and aspirations of parents of pupils from different social identity backgrounds;
- the views and aspirations of staff from different social identity backgrounds;
- the views and aspirations of members of the community and other agencies, including voluntary organisations, representing different social identity backgrounds;
- the priorities in the North Yorkshire Children and Young People's Plan.

3.2 Mechanisms for involvement

At this school the following mechanisms will ensure the views of **pupils** inform the Equality Scheme and action plan:

- Exit interviews with pupils;
- School council;
- Twice yearly focus groups of pupils representing different social identity backgrounds, ie, gender forum, disability forum;
- Individual interviews with pupils involved in incidents of a discriminatory nature;
- Individual interviews with pupils experiencing reasonable adjustments;

At this school the following mechanisms will ensure the views of **staff** inform the Equality Scheme and action plan:

- Exit interviews with staff;

- Regular meetings with union representatives where necessary;
- Regular staff meetings with specific agenda items;
- Individual discussions with staff as a part of performance management.

At this school the following mechanisms will ensure the views of **parents and the community** inform the Equality Scheme and action plan:

- Text to be inserted into communication with parents: *“your support for your child’s education is crucial to their progress. Please tell us if there is any adjustments we need to make to help you support your child, for example: letters in large font; letters in different languages; wheelchair access; explaining things over the phone; a discussion with a school colleague of the same gender.”*
- Feedback through the Governing Body meetings;
- Feedback through the Friends of Grove Road meetings;
- Feedback from adults using the school beyond the school day;

The school’s action plan will focus on developing the involvement of pupils, staff and parents from different social identity backgrounds over the three years of this Scheme. We will consider varying the times, methods and the venues for this involvement to ensure the best possible attendance and ensure views can be heard. This way the school will learn what works and the involvement of pupils staff and parents will improve and deepen over time.

4 Making it happen

4.1 Implementation of Policy

This scheme is supported by an action plan, the progress of which is monitored and evaluated by the Governing Body.

The action plan that identifies the equality objectives for the school arising from this scheme and the impact assessment through the Inclusion Quality Mark has:

- clear allocation of responsibility;
- clear allocation of resources, human and financial;
- clear timescales;
- expected outcomes and performance criteria;
- specified dates for review;

The effectiveness of this Scheme will be evaluated and reflected in:

- the School Self-evaluation Form;
- the level achieved in the Inclusion Quality Mark;
- discussions with the School Improvement Partner.
