Applying for a primary school place for September, 2016

The North Yorkshire County Council's primary school application round is now open; please check their website for full details -

<http://www.northyorks.gov.uk/article/23544/Apply-for-a-primary-school-place>

Applications can be made now and need to be made by 15 January 2016 at the latest.

You can apply if your child lives in North Yorkshire and is eligible to start primary school in September, 2016 (**born between 1 September 2011 and 31 August 2012 inclusive**).

Don't forget to keep a record of your application (screen print or a confirmation email).

It is your responsibility to ensure you have read **all of the information provided to you via the admissions website before applying online.**

Note: Application forms received by the Admissions Office after the closing date, without an acceptable reason, will be considered as a late application and will therefore be processed after they have considered all other applications. For example, an application received by the deadline date for a child living outside the normal area of the school, will have priority over a late application for a child living within the normal area of the school. You still may still be offered a place for your child at your preferred school if there are places available, however if there are no places available the school allocated may be some distance away from your home.

Please do complete an application form as soon as possible, regardless of the type of school you are applying for or where it is so that North Yorkshire County Council can allocate a school place to your child in accordance with their agreed scheme for coordinating admissions.

Need help?

Your local school or the Harrogate Area Education Office will be able to help you.
