My child has been very happy in his class this year and has made great progress. Thank you to his class teacher and all of the team. Enjoy your summer!

I'm glad my son has made progress in some of his lessons. I'm a bit disappointed he got 4 lates – I try and get the children to school on time but I think he walks slowly up the stairs!

A huge thank you for all your kindness, support and hard work to make Grove Road a truly special school! Our son has loved going to school, enjoyed all the activities and has learnt so much – not only English, maths and science but about the world and how to be kind and respectful to others. We will miss Grove Road so much ... the place where learning is fun and everybody is welcome. Thank you!

Very pleased with my daughter's progress again this year.

Very pleased with our daughter's enthusiasm and progress this year 😊

It was a good report but the grid format of previous years (as an addition to comments) was really useful.
